Our value this term is: Honesty

June 6th 2024

Weekly Attendance

Our aim is to have our weekly attendance above 97% in line with the Local Authority's expectation. This week, our **whole school attendance was 89.3%**

Well done to Oak class this week for getting 100% attendance and for being supportive and making sure your children are in school every day. Please be reminded that holidays during term time will not be authorised and you will incur a fine from the Local Authority.

Please remember to report a child's absence before 9.30 a.m. ideally before the start of school by either phoning the school on 01594 833232 or emailing

admin@ellwood.gloucs.sch.uk

Thank you.

Oak	100%
Chestnut	88.7%
Beech	93.3%
Sycamore	95.8%
Willow	71.8%

Reminder—Hallie's Heroes

We will be supporting Hallie's Heroes on Monday 15th July and inviting all children to dress as a superhero for the day!

We will be ending the day with a cake sale for which we would be really grateful of cake donations on the day.

Thank you!

Chestnut class—outdoor area

Chestnut class are very lucky to have had a new shelter in their outdoor area. This will allow them to use the space throughout the year. They have already started to use the space for small group activities.

Thank you to the governors and staff who have worked hard to make this possible and thank you to Miss Hek and Mrs Williams, for preparing the area and adding additional resources for the children to come back to after half term.

Chestnut/Beech class

At the end of last half term, Chestnut and Beech celebrated their hard work learning about the great fire of London by burning some replica houses. This was a great chance for them to share their learning with the rest of the school, including how and why the fire started, why it is spread so quickly and the changes that were made from this significant event. Mrs Aston also gave a super fire safety talk.

Concerns—carpark

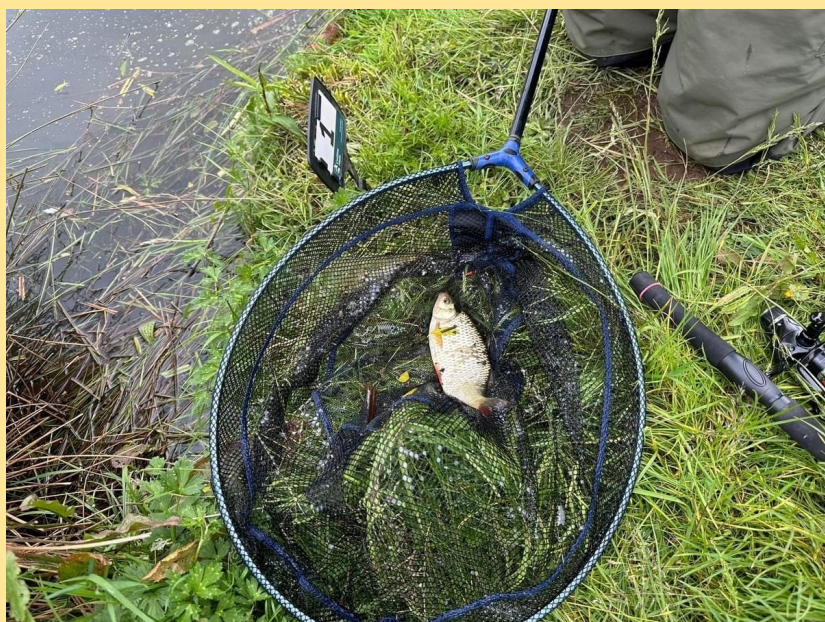

A parent has raised a concern that children are playing before school in or near the disabled bays at the bottom of the carpark. If cars are trying to use and park in these bays, please can you ensure your child is being supervised and moved out of the way accordingly.

Thank you for your understanding.

Out of school achievements

"Joseph started fishing lessons last Wednesday 29th May after he has shown a lot of interest in it, he is absolutely delighted to be enjoying this and managed to catch lots of fish on his first lesson, here's a few pictures he's also been again tonight with his dad and grandad and caught so many more."

- Thank you to Joseph's mum for sharing this with us. A lovely achievement!

Willow—Year 5

Willow Year 5's were learning all about Bluetooth and how a signal can become corrupt/ intercepted when travelling over great distances.

They were recreating this on the playground.
